

EBooks and Audiobooks with Libby

Libby is the latest eBook app from **Overdrive** and is a new and simpler way to download, read and listen to eBooks and audiobooks. **You need to have a library ticket to use this service** – you can join in any branch or get an online only membership at www.librariesni.org.uk.

Libby can be downloaded for free from the **App** or **Google Play** stores (search “Libby by Overdrive”) If you have already borrowed titles using Overdrive, they should automatically appear in the Libby app when you sign in with your library card number.

1. GETTING SET UP

Open Libby and tap YES
